

Maples Ridge Cabins offers the "best of both worlds", enjoying a fun filled day in Pigeon Forge (of which the main parkway is only a five minute drive), nearby Gatlinburg and the Smokies, then settling into your very own log cabin in the beautiful Smoky Mountains. Perhaps throw a couple of rib-eyes on the BBQ located on your deck overlooking the mountains, then after dinner relax in front of the fireplace, then spend some romantic time with your 'better half' in your very own jacuzzi, out on your deck in your hot tub, serenaded by crickets and an occasional hoot from an owl, while watching for shooting stars!

Maples Ridge is conveniently located 3.5 miles from Pigeon Forge on Highway 321 (Turn at Traffic Light #3)
